PROJECTS

Designer + Web Developer | Personal Website
Dec 2020
> Designed and developed my personal website using HTML/CSS, Javascript, Bootstrap, and Figma.

Developer | Movie Log
Dec 2020
> Created a full stack MERN web app to record movies you've watched along with a description and rating.
> Users can edit and delete postings as well.

Designer + Developer | NASA Space Apps Hackathon
Oct 2019
> Used Google APIs to predict the spread of airborne diseases
> Used HTML/CSS, and Javascript to create the website

WORK

Lifeguard/Swim Instructor | City of Mississauga
2019 - 2020
> Taught different levels of the Swim For Life program to students ages 4 to adult.
> Cooperated and communicated clearly with fellow lifeguards during pool supervision.

Piano Instructor | Side Hustle
2017 - Present
> Ran my own piano lesson business at in-home studio.
> Taught piano to beginner/intermediate students
> Advertised via posters, word-of-mouth, social media, Kijiji/Ebay

EXTRACURRICULARS

Project Manager | Accounting + Finance Student Association
Sept 2020 - Dec 2020
> Engaged 150+ students in a Discord Board Game online event.
> Led a team of 6 colleagues to organize logistics and manage $300+

President, Head of Activities | Student Activity Council
Sept 2017 - Jun 2020
> Led a team of 20+ students to manage $20000+ to organise events (with 500+ turnout) and clubs to enrich the student experience.
> Communicated with my team and supervisors, delegated tasks, oversaw all operations.
